Public Comment

Alderman Coonrod has received complaints about dogs running loose. Matter is going to be taken up at the Public Safety Meeting, possibly run an ad in the paper reminding people of the lease law and possible fines for violating.

Alderman Direso commented on how nice the square looked with the holiday lights. Mayor credited A Carlinville Christmas for the lights on the buildings.

Budget Officer corrected being misquoted in the paper regarding sales tax being cut in half that is received from the state to the city. That was not said and will be corrected in the paper per the reporter from the Macoupin County Enquirer.

Old Business

Employee Compensation - Richard Fearn/Richard Fearn's salary was not properly reflected in the contract that was last negotiated in the Teamsters Contract. He has obtained his A and C Licenses. Atty. Bertinetti has met with him and the water plant foreman and they agreed that his hourly wage should be \$19.59. Bertinetti made that recommendation and Alderman Direso made a motion to approve Fearn's hourly rate going to \$19.59, Heigert seconded, motion passed unanimously.

Intake Lake I - tabled due to information not all being available to present yet.
