If the Mayor finds that the demands placed upon these funds in coping with a particular disaster are unreasonably great, and the Governor has proclaimed the municipality a disaster, he may make application for funds from the state disaster relief fund. If monies available from the fund are insufficient, and if the Mayor finds that other sources of money to cope with the disaster are not available or are insufficient, he shall issue a call for an immediate session of the City Council for the purpose of enacting ordinances as the City Council may deem necessary to transfer and expend monies appropriated for other purposes, or borrow monies from the United States Government or other public or private sources. If less than a quorum of the members of the City Council is capable of convening in session to enact such ordinances for the transfer, expenditure or loan of such monies, the Mayor is authorized to carry out those decisions until such time as a quorum of the City Council can convene.

(C) Nothing contained in this Section shall be construed to limit the Mayor's authority to apply for, administer and expend grants, gifts, or payments in aid of disaster prevention, preparedness, response or recovery.

30-4-7 LOCAL DISASTER EMERGENCIES.

(A) A local disaster emergency may be declared only by the Mayor or City Council. If declared by the Mayor, it shall not be continued for a period in excess of **seven (7) days** except by or with the consent of the City Council. Any order or proclamation declaring, continuing or terminating a local disaster emergency shall be given prompt and general publicity, and shall be filed promptly with the municipal clerk.

(B) The effect of a declaration of a local disaster emergency is to activate any and all applicable local emergency operations plans and to authorize the furnishing of aid and assistance thereunder.

(C) During a local disaster emergency, the Mayor may suspend the provisions of any municipal ordinance prescribing procedures for the conduct of municipal business, or the orders, rules and regulations of any municipal agency, if strict compliance with the provisions of any ordinance, rule or regulation would in any way prevent, hinder or delay necessary action in coping with the emergency, as authorized by "The Illinois Emergency Management Agency Act", provided that, if the City Council meets at such time, he shall act subject to the directions and restrictions imposed by that body.

30-4-8 TESTING OF DISASTER WARNING DEVICES. The testing of disaster devices including outdoor warning sirens shall be held only on the first Tuesday of each month at **10 o'clock** in the morning.

30-4-9 MUTUAL AID ARRANGEMENTS BETWEEN POLITICAL SUBDIVISIONS. The coordinator for emergency services and disaster operations may, in collaboration with other public agencies within his immediate vicinity, develop or cause to be developed mutual aid arrangements with other political subdivisions, municipal corporations or bodies politic within this state for reciprocal disaster response and recovery in case a disaster is too great to be dealt with unassisted. The mutual aid shall not, however, be effective unless and until approved by each of such political subdivisions, municipal corporations or bodies politic as are parties thereto, in the manner provided by law, and unless and until filed with and approved in writing by the state director. Such arrangements shall be consistent with the state and local emergency management operations plan and program, and in the event of such disaster as described in **Section 30-4-3** of this Code, it shall be the duty of each local and department for emergency services and disaster operations to render assistance in accordance with the provisions of such mutual aid arrangements.

30-4-10 COMMUNICATIONS. The local Emergency Services and Disaster Agency shall ascertain what means exist for rapid and efficient communications in times of disaster emergencies. The agency shall consider the desirability of supplementing these communications resources or of integrating them into a comprehensive system or network. In studying the character and feasibility of any system or its several parts, the agency shall evaluate the possibility of multipurpose use thereof for general municipal and local governmental purposes. The agency shall make recommendations to the Mayor as appropriate.

30-4-11 **IMMUNITY.** Neither the municipality, the agency or any member thereof or any person acting at their direction, engaged in any emergency services and disaster operations or disaster activities, while complying with or attempting to comply with this Code or any rule or regulations promulgated pursuant to this Code is liable for the death of or any injury to persons, or damage to property, as a result of such activity. This Section does not, however, affect the right of any person to receive benefits to which he would otherwise be entitled under this Act, under the Worker's Compensation Act or the Worker's Occupational Diseases Act, or under any pension law, and this Section does not affect the right of any such person to receive any benefits or compensation under any Act of Congress.

30-4-12 **PROFESSIONS, TRADES AND OCCUPATIONS.** If such disaster as is described in **Section 30-4-3** occurs in this municipality and the services of persons who are competent to practice any profession, trade or occupation are required in this municipality to cope with the disaster situation and it appears that the number of persons licensed or registered in this municipality to practice such profession, trade or occupation may be insufficient for such purpose, then any persons who are licensed elsewhere to practice any such profession, trade or occupation may, if a member of another political subdivision rendering aid in this municipality pursuant to the order of the head of that political subdivision and upon the request of the municipality, or if otherwise requested so to do by the Mayor or the coordinator of this municipality, during the time the disaster condition continues, practice such profession, trade or occupation in this municipality without being licensed or registered in this municipality.

30-4-13 **APPROPRIATIONS AND LEVY OF TAX.** The City Council may make appropriations for emergency services and disaster operations in the manner provided by law for making appropriations for the ordinary expenses of such political subdivision. The City Council may also levy for emergency services and disaster operations a tax not to exceed **.05%** of the full, fair cash value as equalized or assessed by the Department of Revenue on all taxable property in the municipality for the current year. However, the amount collectible under such a levy shall in no event exceed **Twenty-Five Cents (\$0.25)** per capita. The annual tax shall be in addition to and in excess of the amount authorized to be levied for general corporate purposes.

30-4-14 **AUTHORITY TO ACCEPT SERVICES, GIFTS, GRANTS OR LOANS.** Whenever the federal or state governments, or any agency or officer thereof, or whenever any person, firm or corporation shall offer to the municipality services, equipment, supplies,

materials or funds by way of gift or grant for purposes of emergency management, the municipality, acting through the Mayor or through its City Council, may accept such offer and upon such acceptance the Mayor or the City Council may authorize any officer of the municipality to receive such services, equipment, supplies, materials or funds on behalf of the municipality.

30-4-15 ORDERS, RULES AND REGULATIONS.

(A) The Mayor shall file a copy of every rule, regulation or order and any amendment thereof made by him pursuant to the provisions of this Code in the office of the Municipal Clerk. No such rule, regulation or order, or any amendment thereof, shall be effective until **ten (10) days** after such filing; provided, however, that upon the declaration of such a disaster emergency by the Mayor as is described in **Section 30-4-7**, the provision relating to the effective date of any rule, regulation order or amendment issued pursuant to this Code and during the state of such disaster emergency, is abrogated, and said rule, regulation, order or amendment shall become effective immediately upon being filed with the Municipal Clerk, accompanied by a certificate stating the reason for the emergency.

(B) The Emergency Services and Disaster Agency established pursuant to this Code, and the coordinator thereof, shall execute and enforce such orders, rules and regulations as may be made by the Governor under authority of the Illinois Emergency Management Agency Act. The local Emergency Services and Disaster Agency shall have available for inspection at its office all orders, rules and regulations made by the Governor, or under this authority. The State Emergency Management Agency shall furnish such orders, rules and regulations to the agency.

30-4-16 UTILIZATION OF EXISTING AGENCY, FACILITIES AND PERSONNEL.

In carrying out the provisions of this Code, the Mayor and the coordinator of the emergency services and disaster agency are directed to utilize the services, equipment, supplies and facilities of existing departments, offices and agencies of the municipality to the maximum extent practicable, and the officers and personnel of all such departments, offices and agencies are directed, upon request, to cooperate with and extend such services and facilities to the coordinator and the emergency services and disaster agency.

30-4-17 NO PRIVATE LIABILITY.

(A) Any person owning or controlling real estate or other premises who voluntarily and without compensation grants a license or privilege, or otherwise permits the designation or use of the whole or any part or parts of such real estate or premises for the purpose of sheltering persons during an actual or impend-

ing disaster, or a mock or practice disaster response activity together with his successors in interest, if any, shall not be civilly liable for negligently causing the death of, or injury to, any person on or about such real estate or premises under such license, privilege or other permission, or for negligently causing loss of, or damage to, the property of such person.

(B) Any private person, firm or corporation and employees and agents of such person, firm or corporation in the performance of a contract with, and under the direction of, the municipality under the provisions of this Code, shall not be civilly liable for causing the death of, or injury to, any person or damage to any property except in the event of willful misconduct.

(C) Any private person, firm or corporation, and any employee or agency of such person, firm or corporation, who renders assistance or advice at the request of the municipality, shall not be civilly liable for causing the death of, or injury to, any person or damage to any property except in the event of willful misconduct. The immunities provided in Subsection (C) shall not apply to any private person, firm or corporation, or to any employee or agent of such person, firm or corporation whose act or omission caused in whole or in part such actual or impending disaster and who would otherwise be liable therefore.

30-4-18 SUCCESSION. In the event of the death, absence from the municipality or other disability of the Mayor preventing him from acting under this Code or for any other municipal purpose, and until the office is filled in the manner prescribed by law, the coordinator of the emergency services and disaster agency shall succeed to the duties and responsibilities of the Mayor.

30-4-19 COMPENSATION. The City Council, by its annual appropriations ordinance, may provide for the payment of the salary of the coordinator and such other office staff and personnel as may be expressly provided for in the ordinance. Nothing herein contained shall prohibit any member of the agency from receiving compensation from the State of Illinois Emergency Management Agency under any provisions of that agency.

30-4-20 PERSONNEL OATH. Each person, whether compensated or noncompensated, who is appointed to serve in any capacity in the municipal Emergency Service and Disaster Agency, shall, before entering upon his duties, take an oath, in writing, before the coordinator of the municipal Emergency Service and Disaster Agency before a person authorized to administer oaths in this municipality, which oath shall be filed with the coordinator of the Emergency Services and Disaster Agency, and which oath shall be substantially as follows:

"I, _____, do solemnly swear (or affirm) that I will support and defend and bear true faith and allegiance to the Constitution of the United States and the Constitution of the State of Illinois, and the territory, institutions and facilities thereof, both public and private, against all enemies, foreign and domestic; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties upon which I am about to enter. And I do further swear (or affirm) that I do not advocate, nor am I, nor have I been a member of any political party or organization that advocates the overthrow of the government of the United States or of this State by force or violence; and that during such time I am affiliated with the City of Carlinville, I will not advocate nor become a member of any political party or organization that advocate the overthrow of the government of the United States or of this State by force or violence."

30-4-21 EMERGENCY TERMINATION OR REDUCTION OF ELECTRICAL SERVICE.
